

Rosetta Stone TOTALE Course HD Quick Start

Hello! The speech bubbles are additional information from Jen (not from Rosetta Stone.) :)

The Rosetta Stone® TOTALE Course™ HD is free to all TOTALE® subscribers, including Classroom or Enterprise TOTALE learners, for use on iPad® devices.

You'll need to know your TOTALE username, password, and online portal URL to use the app. You can get this information from your system administrator.

To get started using the TOTALE Course HD app:

1. Download and install TOTALE Course HD from the App Store™ app on your device or within iTunes Store™ (search for 'TOTALE Course HD').

2. Tap **TOTALE HD** on your device.

3. Tap the button to the left of **E-mail**.

4. Enter the first part of your online portal URL.

Enter only the part that appears before RosettaStoneClassroom.com or RosettaStoneEnterprise.com. For example, enter only **123-totale** if your online portal is 123-totale.RosettaStoneClassroom.com or 123-totale.RosettaStoneEnterprise.com.

5. Sign in with your username and password.

Only learner accounts will work on the app. (Teachers registered with teacher accounts must access the tools via a web browser.)
